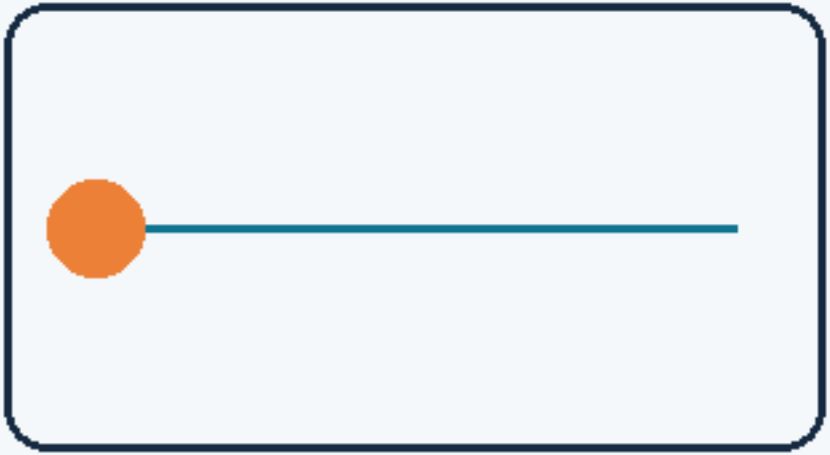
PDF PRESENTER / DEMO

Motion inside a PDF

Original GIF bytes travel with the document.

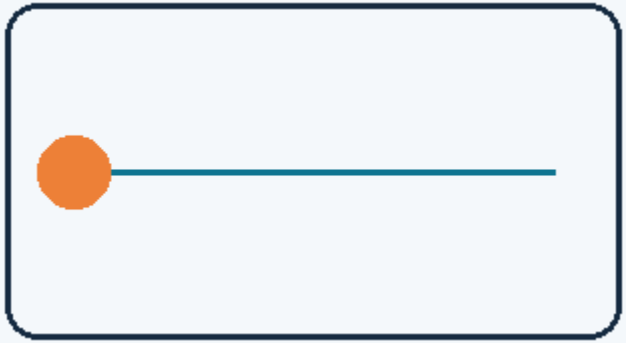


A conventional PDF reader displays this static first frame.

PDF PRESENTER / DEMO

Two animations, one attachment reused

Navigate back to see the same orbit attachment again.



PDF PRESENTER / DEMO

Ready to present

This slide contains no animation.

- Open an audience window.
- Use arrow keys, Page Up / Down, Home and End.
- Enter fullscreen from the audience controls.
